

Remarks

The Notice of Non-Compliant Amendment required correction of two matters relating to the November 12, 2004 Amendment: (a) the presentation of the amended Abstract on a separate page; and (b) the presentation of the claims separate from the Remarks. As shown above, Applicant has complied with the Notice.

The Notice of Non-Compliant Amendment was sent by the Patent Office to a law firm that is not prosecuting counsel. Applicant wishes to bring this to the attention of the Patent Office for correction, so that future communications relating to the above-related application will be directed to the undersigned.

If there are any fees incurred by this Amendment Letter, please deduct them from our Deposit Account No. 23-0830.

Respectfully submitted,
